**BRIEF OF *AMICUS CURIAE* BETTER
GOVERNMENT ASSOCIATION IN SUPPORT OF
PETITION TO APPOINT A SPECIAL PROSECUTOR
IN THE MATTER OF THE DEATH OF DAVID KOSCHMAN**

The Better Government Association (“BGA”) respectfully submits this *amicus curiae* brief in support of the Petition filed by Nanci Koschman, Susan Pazderski, and Richard Pazderski for appointment of a Special Prosecutor, and for other relief (“the Petition”).

1. The BGA is a non-partisan group that works for integrity, transparency and accountability in government by exposing corruption and inefficiency; identifying and advocating effective public policy; and engaging and mobilizing the electorate to achieve authentic and responsible reform.

2. Based upon the allegations contained in the Petition, the BGA respectfully submits that this Court, pursuant to 55 ILCS 5/3-9008, should appoint a Special Prosecutor to examine the circumstances surrounding (1) the death of David Koschman in Chicago, Illinois on April 25, 2004; (2) the manner in which the investigation into Mr. Koschman’s death was conducted by the Chicago Police Department (“CPD”) and the office of the Cook County State’s Attorney; and (3) whether favoritism or other improper motives entered into and interfered with the proper conduct of the investigation.

3. The BGA respectfully submits that the State’s Attorney of Cook County is not qualified to conduct the investigation, owing to disabling conflicts of interest with regard to the

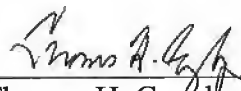

conduct of members of the State's Attorney's own office, as well as the conduct of members of the CPD, with whom staff members of the State's Attorney worked on the investigation of Mr. Koschman's death. In addition, the State's Attorney's staff works closely with and represents members of the CPD on a regular basis in both civil and criminal matters, including criminal investigations and indicted cases brought before this Court.

4. Specific allegations are contained in the Petition which illustrate the conflicts of interest of the State's Attorney, for example, paragraphs 20 through 22, 36, 38 and 43.

5. Should the Court grant the Petition, the BGA is available to serve as a friend of the Court with regard to the selection of the Special Prosecutor. The BGA is a disinterested party with regard to the matters that the Special Prosecutor will be investigating; the organization is interested only in ensuring that the investigation is conducted fairly and in such a way as to earn the public's trust. The BGA is confident that a qualified Special Prosecutor, possessing the necessary skills, experience, and independence for conducting this investigation—as well as the courage and fortitude to stand up for transparency and accountability in government—can be recruited from the members of the Cook County bar. The BGA will work diligently on behalf of the Court to that end.

Respectfully submitted,

Better Government Association
